

## Youth Camp & Adult Course Scholarship Application 2020 Hallam Lake & Rock Bottom Ranch

The Aspen Center for Environmental Studies offers tuition assistance to those who reside in the Roaring Fork Valley on a full-time basis (children need to attend school in the Roaring Fork Valley; adults need to rent/own a home and live in the area on a full-time basis). A limited number of scholarships are available, based on financial need and are awarded on a first-come, first-serve basis. Applicants may receive tuition assistance from 25-100% of the class cost. ACES scholarships are good for ONE class per child/adult per summer. If we have room and scholarships available in more classes, we will contact you.

Once your application has been approved we will contact you with the scholarship amount ACES can offer. Fill out the scholarship application and return to [pmeyers@aspennature.org](mailto:pmeyers@aspennature.org). If the scholarship is awarded to you, you can proceed to complete the online registration (if you haven't done it yet), click the scholarship button, and write in the comments: scholarship recipient. We will charge according to our scholarship agreement.

### Cancellation Policy

Scholarships are non-transferable to another person. If, after accepting the scholarship, the participant is unable to attend, please notify us two weeks prior to the first day of the class. If ACES cancels a class, you will have the option of transferring your scholarship to another class, space permitting.
